- * Wrapped in a drip proof plastic sleeve
 - * Machine holds up to 4000 'wraps'
 - * Automatic refill indicator
- * Plastic bags can be printed with logos
- * Easy to position - on wheels & handle
- * Use only when needed easy storage
 - * Weighs only 15 kgs
 - * W30cm X D30cm x H119cm
- * Protected by Patents in USA, Japan, Taiwan and China

Show you care !

We can even put your LOGO here.

After wet weather ... how safe are your floors ?

Unfortunately a sign saying .. 'Wet Floor' is not enough these days. You have to prove ... that you are being 'pro-active' about the problem.

Our 'Auto Umbrella Machine' is a low cost solution to demonstrate that you were managing the problem of wet public floors.
