

Exciting new 'WAVE' ... Modular Office Screen

- Create a stylish privacy screen in seconds
- Our new Wave Screen features a stylishly curved design
- Each screen incorporates a light bronze tinted polycarbonate face
- Strong powder coated steel frame
- Screen measures 1603 H x 806mm W x 400mm D
- Each stand weighs approx 10kgs
- Each Screen can be joined together with the strong magnets that are incorporated within the frame
- Create a full circle
- Half circle
- 'S' pattern
- Or an extended 'long 'wave

Most privacy screens feature a heavy fabric that can obscure vision and create a heavy, claustrophobic feeling amongst office workers.
